April 2014 Update

Social Events:

Your Social Committee has worked overtime this month! Not only was our Neighborhood Garage Sale a success, yesterday's Easter Egg Hunt was weather-perfect and dozens of families enjoyed the afternoon. Tricia Harris, Nikki Lawrence, and Mindy Morrison, thank you for planning this event. I'm sure there were other helpers, too; "hiding" all those eggs and we appreciate everyone's involvement. Several members posted photos on our [Facebook](#) page, so log in to see the festivities.

Garden Club Planning Meeting – April 15

All those interested in participating in a neighborhood Garden Club are invited to meet tomorrow night at the Clubhouse at 6:30 p.m. Some of our residents have green thumbs and are invited to share your knowledge of landscaping with the rest of us. We hope to have suggestions from you in how we can improve our neighborhood landscapes and participate in future planning. This group is open to men and women.

The FB “Yard Sale” Group

The Facebook group, [Hidden Hills Facebook Yard Sale](#), has been well received. The launch coincided with our Garage Sale, but the page will be used year round.

The site should be used for any item or service you wish to sell, promote, give away, etc. The Board of Directors has requested that the "original" Facebook page be reserved for Community Events, news, and Association announcements.

Pool News – Help Wanted!

Well it is that time of year again. If you've already begun (or plan to) enjoy our neighborhood pool, please consider volunteering for the pool committee. As you know, the board and all committees are made up of volunteers. Your responsibility would be one night a week (or less, depending on how many volunteer) checking the pool at closing (9pm). This means making sure bathrooms are locked, debris is removed from all three filters, water level is appropriate and generally making sure it is straight and clean for the next day. As always, everyone is responsible for cleaning up after themselves and taking part daily in the

maintenance of our facilities. We are looking forward to many volunteers and a great summer. Please let [Heath Morrison](#) know if you are interested in helping out.

Architectural Review Reminder

With the arrival of spring, some of you may be planning some outdoor projects. Fences, sunrooms, storage buildings, or any changes to the exterior appearance should be submitted first to the ARC committee for approval. The [application](#) can be downloaded from our website.
